

OLYMPIA HARBOR DAYS
ARTS & CRAFTS FAIR
PARTICIPANT POLICY

Effective September 2005

Beginning at the 2006 Olympia Harbor Days Arts & Crafts Fair,
September 1, 2 & 3, 2006,
the following category change will take place:

Imported goods will be considered Commercial Vendor Booths, at the rate of \$500
No exceptions will be made

To qualify as an Arts & Crafts Vendor, you must make 75% of the goods in your booth. This includes personally hand-crafted items, items which you have painted or decorated, fine art, photography, music which you have recorded, pottery, jewelry, furniture, candles, soaps, clothing, sculpture, and other crafts.

Our goal is to showcase quality items made by working artisans
